

International Conference on Hydrogen Safety

October 19-21, 2015 - Yokohama (Japan)

Sponsorship Opportunity

With the endorsement of:

Hydrogen
Energy System
Society of Japan

Ministry of the Interiors
The National Fire Corps
ITALY

Organizing Institutions:

Technova|Inc.

In Collaboration with:

ISO/TC 197 HYDROGEN TECHNOLOGIES

HySUT
The Research Association of
Hydrogen Supply / Utilization Technology

ICHS 2015 CONFERENCE SCOPE

The 6th International Conference on Hydrogen Safety (ICHS 2015) will be held in Tokyo, Japan on October 19-21, 2015 under the auspices of the International Association for Hydrogen Safety (HySafe). The first five biennial conferences since 2005 succeeded in attracting the world's leading experts, by providing an open platform for the presentation and discussion of new findings, information and data on hydrogen safety – covering the wide range of areas from basic research to applied research and development to standardization and regulations. As commercialization of hydrogen fuel cell electric vehicles is imminent and other hydrogen applications are increasingly being deployed, ICHS 2015 will focus on the progress in safety of hydrogen technologies and infrastructure, as crucial/essential means to enable smart hydrogen solutions for global energy challenges. Therefore, the conference organizers seek papers in a wide range of hydrogen safety topics like (but not limited to) Regulations Codes and Standards, safety in H₂ infrastructure, safety solutions for the implementation of H₂ technologies, hydrogen and hydrogen blends behavior, physical effects, consequence analysis, incidents, accidents and near misses, hydrogen effects on materials and components, safety of energy storage, risk management and fuel cells related safety issues. A detailed list of ICHS 2015 Themes and Topics is shown below. All contributions to ICHS 2015 will be evaluated exclusively in the light of their scientific content and relevance to hydrogen safety.

ICHS 2015 CONFERENCE STRUCTURE

ICHS 2015 will include thematic plenary sessions, topical lectures, and parallel oral and poster sessions of contributed papers. The conference seeks to strengthen the near term introduction of hydrogen technologies in the market place.

ICHS 2015 CONFERENCE INFO

For more information, please consult: www.ICHS2015.com or contact Marco Carcassi email: carcassi@ing.unipi.it

ANNOUNCING SPONSORSHIP AND SUPPORT OPPORTUNITIES

A - PLATINUM: € 10.000 - INCLUDES:

- Special privilege for your company's advertisement (i.e. oral presentation).
- 4 participants for full fare registration.
- A stand within the designated ICHS2015 exhibit area
- Your company's brochure included in all campaign material and in the conference bags to be given out at the conference, along with the logo of your company on our web page, final program, and proceedings given out at the conference.

B - GOLD: € 7.000 - INCLUDES:

- 2 participants for full fare registration.
- A stand within the designated ICHS2015 exhibit area
- Your company's brochure included in all campaign material and in the conference bags to be given out at the conference, along with the logo of your company on our web page, final program, and proceedings given out at the conference.

C - SILVER: € 4.000 - INCLUDES:

- 1 participant for full fare registration.
- A stand within the designated ICHS2015 exhibit area
- Your company's logo on our web page, final program, and proceedings given out at the conference.

D - SPECIAL SUPPORT

Besides the above formal models for sponsorship the organizers welcome any support regarding the infrastructural arrangements. Financing or co-financing of the gala dinner, lunches or the coffee breaks are possible alternatives. Such a support will give visibility to your company's commitment to support this unique event. As for the other sponsorship models the logo of your company will be added to our web page, final program, and proceedings given out at the conference.

For negotiating the details please get in contact with our sponsor contacts:

North American Contact: Jay O. Keller - Email: Jay.Keller@ZCES-Inc.com - Cell: +1 (925) 519-2043

EU Contact: Thomas Jordan - Email: Thomas.Jordan@kit.edu - Tel: +49 (721) 6082 6105

Asian Contact: Akiteru Maruta - Email: Maruta@technova.co.jp - Tel: +81 (3) 3508 2280
